Case No. 14-cv-04775-EDL

**ORDER GRANTING PLAINTIFF'S
MOTION TO REMOVE/REDACT
CONFIDENTIAL INFORMATION**

Re: Dkt. No. 42

On February 2, 2015, Plaintiff filed a "Motion to Remove/Redact Confidential Sensitive Information of Plaintiff's that Defendant Put into Court Documents and Filed in the Public Court File." Plaintiff seeks to redact a short, four-word phrase that appears twice on page three of a joint statement filed on January 27, 2015.

Good cause appearing, Plaintiff's motion is granted. The Court will block access to the joint statement filed on January 27, 2015. Defendant shall refile the statement with the phrases redacted no later than February 20, 2015. It is unclear whether Plaintiff has served the document containing the phrases to Defendant, so Plaintiff shall inform Defendant in writing of the two short phrases contained in the "Page Identifying the Medical Information to be Filed Under Seal" that was filed with the Court.

IT IS SO ORDERED.
